

May 6, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (16481_Editorial.docx)

Title: Inflammasome activation in decompensated liver cirrhosis

Author: Jose M. González-Navajas

Name of journal: World Journal of Hepatology

ESPS Manuscript Number: 16481

The manuscript has been improved according to the suggestions of the reviewers:

1. Format has been updated
2. Following the suggestions of the reviewers I have added two new figures explaining the basic mechanisms of inflammasome activation (Figure 1) and the proposed model of inflammasome activation in ascitic fluid (Figure 2).
3. References were corrected.

Thank you again for considering my manuscript for publication in the *World Journal of Hepatology*.

Sincerely,

Jose M. González-Navajas, PhD.
