Dear Editor, Ya-Juan Ma

Title: Primary intestinal lymphangiectasia with generalized warts

Author: Soon Jae Lee, Hyun Joo Song, Sun-Jin Boo, Soo-Young Na and Heung Up Kim, Chang Lim Hyun

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 16542

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) The title should be changed, because the disease was not diagnosed with capsule endoscopy. They can only assume that the capsule endoscopy pictures demonstrate mucosal changes similar to lymphangiectasia. The other parts of the manuscript like abstract et cetera should also be changed accordingly. : **The title and other parts of the manuscript were corrected.**

3 References and typesetting were corrected

4. The significant amount of overlapping text was our abstract, presented in APDW 2014 at Bali, Indonesia in November 22-25 2014. We attached the file together.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours
