Dear Editor,

Please find enclosed the edited and revised manuscript in word format (WJBC 16597 revised).

**Title:** EFFECT OF PARICALCITOL AND ENALAPRIL ON RENAL  
INFLAMMATION/OXIDATIVE STRESS IN ATHEROSCLEROSIS

**Author:** Kazim Husain, Edu Suarez, Angel Isidro, Wilfredo Hernandez and Leon Ferder

**Name of Journal:** World Journal of Biological Chemistry

**ESPS Manuscript NO:** 16597

The manuscript has been improved according to the suggestions of the reviewers:

The revisions has been made according to the suggestions of the reviewers

1. The title has now been reduced to 12 words
2. Aim in the abstract has now been reduced to 20 words.
3. Core tip of 100 words has now been added in the revised manuscript.
4. The word "chemoattractant" has been corrected.
5. The word "Institute" has now been changed to "Institutes":
6. In the method section the sentence corrected as "by 12.5% SDS polyacrylamide gel electrophoresis".
7. In the Acknowledgments the sentence is corrected as "This study was supported as a research grant by Abbott Pharmaceutical, USA "
8. Author's contribution has now been added.
9. Institutional Animal Care and Use Committee statement has now been added.
10. Support of the study das now been added.
11. Comments have now been added at the end of the manuscript.
12. Biostatistics statement: The statistical analysis of the data has been reviewed by Dr. Hernandez of Ponce School of Medicine.
13. Conflict of interest statement: There is no conflict of interest associated with any of the senior author or other coauthors contributed their efforts in this manuscript.

14. All revisions and modification are highlighted with yellow color throughout the manuscript.

Please find enclosed herewith revised manuscript and other documents for your perusal and action. Thank you again for publishing our manuscript in World Journal of Biological Chemistry.

With best regards

Sincerely,

Kazim Husain, PhD, DABT  
Professor
