

## Format for ANSWERING REVIEWERS

March 24, 2015

Dear Editor,

Please find enclosed the edited editorial in Word format (file name: 16661\_edited.doc).

**Title:** Long non coding RNAs era in liver cancer

**Author:** Francesca Guerrieri

**Name of Journal:** *World Journal of Hepatology*

**ESPS Manuscript NO:** 16661

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) I was happy to learn that the reviewer found that the editorial was "very good".

(2) I have been delighted to learn that the Reviewer has recommended the editorial for acceptance. I performed a great deal of language polishing.

(3) I have greatly appreciated all their suggestions and I added more details concerning the three well-known lncRNAs. In particular I explained the significance of the induction of PRKACB and CREB phosphorylation. I also organized the manuscript in two parts, maintaining the "editorial" format.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Hepatology*.

Sincerely yours,

Francesca Guerrieri, PhD
