RE: THE LIVER PLAYS A CENTRAL ROLE IN ASYMMETRIC DIMETHYLARGININE-MEDIATED ORGAN INJURY

As a tenured Full Professor of English Language and Translation, University of Messina, Italy and formerly Associate Professor of English at the Faculty of Medicine, the University of Pavia, the undersigned has read through, and revised, the English phraseology and terminology in the above article in keeping with the standards required by native speakers of English.

Yours sincerely,

Anthony Baldry, M.A. (Cantab.)
