

## Format for ANSWERING REVIEWERS

October 4, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: Sex bias HBV vaccine final formatted.docx).

**Title:** Sex Bias in Response to Hepatitis B Vaccination in End-Stage Renal Disease Patients: Meta-Analysis

**Author:** Hossein Khedmat, Aghdas Aghaei, Mohammad Ebrahim Ghamar-Chehreh, Shahram Agah

**Name of Journal:** *World Journal of Nephrology*

**ESPS Manuscript NO:** 16934

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

- (1) The criterion of “prospective approach’ has been deleted since it is a review of the randomized trials!
- (2) “The difference of effect between plasma-derived or recombinant DNA preparations of HBV vaccine in introduction section” has been added.
- (3) Spelling mistakes have been revised.
- (4) We reanalyzed the data regarding the vaccine type, and added the findings in the Results section.
- (5) Conclusion has been revised according to the reviewers’ ideas
- (6) headings of the tables have been revised

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Nephrology*.

Sincerely yours,

A handwritten signature in blue ink, appearing to be 'M. Ghamar-Chehreh'.
