To Lian-Sheng Ma
the Editor-in Chief
World Journal of Cardiology
Pleasanton, CA, USA

As a potential conflict of interest for the manuscript : **"Reduction of radiation exposure in catheter ablation of atrial fibrillation: lesson learned"** to be considered for publication in the *World Journal of Cardiology*, I declare that I am a consultant and I have received lecture fees from Biosense Webster, a Johnson and Johnson Company

Roberto De Ponti, MD, FHRS
Associate Professor of Cardiology
Department of Clinical and Experimental Medicine
University of Insubria, Varese, Italy
