The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated.

2 Revision has been made according to the suggestions of the reviewer:

**Reviewed by 02953594**

No suggestions for improvement.

**Reviewed by 02446379**

The paper can not be structured with introduction; materials and methods; results and conclusion because it is an editorial and not an original article. Nevertheless, the format has been updated with introduction of titles and subtitles in order to help structuring the article.

**Reviewed by 00724342**

The manuscript has been updated for more clarity with subtitles, a table and better indexing references.

3 References and typesetting were corrected.

Thank you again for publishing our manuscript in the *World Journal of Gastrointestinal Oncology*.

Sincerely

A handwritten signature in black ink, appearing to read 'D. Tougeron', is written over a light blue rectangular background.
