

Institutional Review Board Statement:

This research is conducted with cell lines purchased from ATCC and has been approved by the Oakland University Institutional Biosafety Committee (IBC protocol number: 1814). All procedures involving animals were reviewed and approved by the Institutional Animal Care and Use Committee of Oakland University (IACUC protocol number: 14033). An institutional review board statement is not applicable since the study did not involve human subject research.

A handwritten signature in black ink, appearing to read 'G. Rasul Chaudhry', with a horizontal line underneath the name.

G. Rasul Chaudhry
