

Paris, July 21st 2015.

We hereby certify that neither us, nore any of our co-authors (Sarah Leblanc, Ariane Vienne, Alexandre Rouquette, Frédéric Beuvon, Stanislas Chaussade) have a conflict of interest related to the article entitled “Optimization of the generator settings for endobiliary radiofrequency ablation” and submitted to World Journal of Gastrointestinal Endoscopy ( Manuscript number 17294).

Dr Maximilien Barret

A handwritten signature in blue ink, appearing to read 'Maximilien Barret' above a stylized 'MB' monogram.

And Pr Frederic Prat

A handwritten signature in blue ink, appearing to read 'F. Prat' above a horizontal line.
