Dear Editor,

Title: Exercise for tendinopathy

Author: Dr Stasinopoulos Dimitrios

Name of Journal: *World Journal of Methodology*

ESPS Manuscript NO: 17325

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

I wrote the abstract, the key-words, the running title, the core tip and the Conflict-of-interest statement. Unfortunately, I am not able to carry out the audio core tip, because I do not have the proper program.

2 Revision has been made according to the suggestions of the reviewer

(1) I summarise the therapies in a table (Table 1)

(2) I wrote the definition of the lumbo – pelvic control

(3) I wrote common sports for tendinopathies

I add one paragraph for taping, acupuncture and deep transverse friction.

All my corrections are in red

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of methodology*.

Sincerely yours,

Dr. Stasinopoulos Dimitrios
