LANGUAGE CERTIFICATE LETTER

Dear Editors,

We believe that the language of the revised version of our manuscript (ESPS Manuscript NO: 17359) has reached Grade A without the need for employing a professional editing service. One of the reviewer has also classified the paper to Grade A in its original version. In addition, both of the authors have been working for several years at the University of California, Los Angeles, USA and published articles in peer-reviewed journals such as *Gastroenterology*.

As a member of the Editorial Board of *World Journal of Gastroenterology*, hereby I would like to personally guarantee the language quality of our manuscript.

Sincerely,

A handwritten signature in black ink that reads "Agata Mulak". The signature is written in a cursive style with a light blue background.
