Dear Editor,

Please find enclosed the edited manuscript in Word format (.doc).

Title: Complex Ankle Arthrodesis: Review of the Literature

Authors: Remy Rabinovich, Amgad Haleem, S. Robert Rozbruch

Journal: World Journal of Orthopaedics

ESPS Manuscript No: 17364

This manuscript has been improved according to the suggestions of reviewers:

1. The 'patient specific risk factors' and the 'systemic risk factors' have been combined into a unified group, within a single paragraph.
2. An audio and written core tip is now provided.
3. The author's names and addresses have been re-formatted as per reviewer's request.
4. Author's contributions have been provided
5. Author's conflict-of-interest information has been provided.
6. The format of the citations has been corrected.
7. The PMID and DOI numbers have been provided for the included references.

After searching the literature and utilizing the CrossRef website as well as approaching my institution's medical library, not all DOI numbers could be obtained.

Thank you again for publishing our work in the World Journal of Orthopaedics.

Best regards,

Remy Rabinovich, MD
