The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1)

Reviewer No. 2445522

- "Authors stated that to date only a few isolated cases or series of cases are published, which is not correct. Actually almost 200 cases are published already."

Thank you for your comment. We agree. According to your suggestion, we have deleted: "A few isolated cases or series of cases with few numbers of patients have been published".

- "Due to an average size of 2 -3cm of these tumors there are doubts that a PG of 4cm is really already a giant one."

Thank you for your comment. We agree. According to your suggestion, we have changed: "Giant" for "Large".

(2)

I have written the Core tip correctly.

(3)
