Dear Editors,

Thank you very much for your prompt appraisal of our manuscript (18059) entitled: Obesity and Liver Transplantation.

On behalf of all the authors, I would like to inform the reviewers that we addressed all the points raised by the reviewers.

**Specifically:**

- 1- Corresponding authors' telephone, fax, email address were added
- 2- Table 1 was reframed and its legend was corrected
- 3- The references were revised and DOI, PMID numbers were added

We are now resubmitting the manuscript with all the correction and we hope that the reviewers will be pleased with all the necessary changes made.

Sincerely

Michele Molinari
