

To the Editor of World Journal of Hepatology

Dear Dr. Fang-Fang Ji,

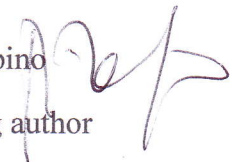

The authors of the review article entitled "HCV infection in prisoners: epidemiology, outcome and treatment" N. 18559, declare to have any competing commercial, personal, political, intellectual, or religious interests in relation to this work.

August 28th, 2015

Sincerely Yours

Rosa Zampino

Corresponding author

A handwritten signature in dark ink, appearing to be 'Rosa Zampino', written over the printed name and title.
