

CERTIFICATE OF ENGLISH EDITING

To whom it may concern,

This is to certify that the paper with the title The role of Helicobacter pylori infection in pathogenesis of gastric carcinoma of the paper, to be submitted by Rong-Guang Zhang, Guang-Cai Duan, Qing-Tang Fan and Shuai-Yin Chen of Department of Epidemiology and Biostatistics, College of Public Health, Zhengzhou University, to the journal World Journal of Gastrointestinal Pathophysiology (Manuscript NO.: 18874), has been edited and checked for language by the corresponding author, Dr. Duan GC, who has got articles published in high-quality English journals as shown below and all of the papers were written and edited by himself and his research team without language polish by invited native English speakers.

The corresponding author guarantees the quality of English language in this paper has reached Grade A.
