Dear Editor,

I, Elizabeth Power, Official Translator of English, certify that the language of the manuscript:

HEPATOCTE TRANSPLANTATION PROGRAM: LESSONS LEARNED AND FUTURE STRATEGIES" (NO 18999.Revised Manuscript.doc).

meet the requirements of academic publishing. The language of the manuscript has reached grade A.

Signed:

A circular official stamp in blue ink is partially obscured by a handwritten signature in blue ink. The stamp contains the text "VALADARRE NEGOCIADO" at the top, "EMPRESA" on the left, "RADO" on the right, and "46023 VALENCIA" at the bottom. The signature is a complex, scribbled line that loops across the stamp.
