Dear Editorial Office;

First of all, thank you very much for reviewed our manuscript titled Relationship between intestinal microbiota and colorectal cancer.

We all edited the manuscript according to edited text in the ESPS. Edited texts has been highlighted in the manuscript and the figure is decomposable. Referances are edited but not highlighted.

We could not do CrossCheck powered by iThenticate because of we are not a member of this and the members of this site are the publishers.

Thank you for your attention.

Sincerely yours,

Gokhan Cipe, MD., Assoc. Prof.
