**LANGUAGE CERTIFICATE LETTER**

Dear Editors,

We believe that the language of the revised version of our manuscript (ESPS Manuscript NO: 19194) has reached Grade A without need for employing a professional editing service. All reviewers had classified the paper to Grade A in its original version. In addition, Professor Neurath has been working for several years in the USA and published articles in peer-reviewed journals such as Nature Medicine. He would like to personally guarantee the language quality of our manuscript.

Sincerely,

PD Dr. med. Steffen Zopf
