To the Editor of World Journal of Gastroenterology

I certify that the use of English language in the paper "Vertically acquired hepatitis C virus infection: correlates of transmission and disease progression" by Tovo P A et al. is appropriate for publication of the article in a scientific journal.

Kind regards

A handwritten signature in black ink, appearing to read 'M Mostert'.

Prof. Michael Mostert

Professor of English Language at the Department of Public Health and Lector of English Language  
at the Faculty of Medicine, University of Turin, Turin, Italy
