electronic formats, English and non-English language formats, and subsequent editions such as Erratum), in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee; (2) printing copies for free distribution or for sale; and (3) republishing the materials in a compendium or in any other format. The author/s acknowledge that the Baishideng Publishing Group Inc distributes the manuscript under the terms of the Creative Commons Attribution-NonCommercial License, which permits use, distribution, and reproduction in any medium, provided that the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.

7 Statement that the author/s agree to publish the related documents (peer review report, answering reviewers, CrossCheck report, signed copyright assignment, *etc.*) of the manuscripts at the same time the manuscript is published online.

8 Statement that there are no errors in grammar, syntax, spelling, punctuation, or logic.

9 Statement that all figures and tables have been correctly placed and clearly identified, and meet the journal's standards of high-resolution quality.

10 Statement that the references are numbered according to their order of appearance in the main text of the manuscript.

The declaration must be signed by all authors individually and in his/her own handwriting, following the order of the author's names appearing on the title page of the manuscript.

Note: Each manuscript published in the *World Series* journals is allowed a single first author and a single corresponding author. Designation of co-first authors and co-corresponding authors is not permitted.

A Gentle Reminder: The Baishideng Publishing Group Inc reminds all authors that instances of (1) plagiarism, (2) data fabrication and/or falsification, (3) redundant publication, and (4) misrepresentation about the qualifications for authorship are the responsibility of every author listed on a paper, *regardless of their intent of knowledge*. If an author suspects or is aware of any of these irregularities in their manuscript, it is strongly recommended that the authors immediately contact the journal and initiate withdrawal of the submission. Once a manuscript has been published online, withdrawal (retraction) of the paper due to the irregularities listed above will incur a
