### **To whom so ever it may concern**

This is to certify that the case report entitled “Acute dapstone poisoning in a 3 year old child - case report with review of literature’ submitted for publication in WJCC (ESPS Manuscript NO: 19658) has been corrected for its proper grammar and spelling and the correct usage of articles, prepositions, conjunctions, abbreviations, punctuation, italic font of Latin words, biomedical terms, tenses, active voice and passive voice, and sentence structure, as well as checking of the academic rules and norms. With the best of my knowledge and experience, I found this MS has the following grade

Language: Grade A

Plagiarism: Nil
