

## Certification of Language Grade

Thanks to Mr. Robert Welt, a gentle American, he is so kind to offer his time to revise this manuscript, and gave us several pieces of useful advice. And he is kind to give us his email: robert.welt@a1gh.com. He helped to revise two other articles, one was submitted to Endoscopyentitled" Intramural hematoma of colon after polypectomy an unusual case report" which had been accepted in October 2013.,the other is "Application of blunt dissection in ESD of a gastric submucosal tumor" which was submitted to World J Gastroenterol. After his revision, we believe that the language of this manuscript has reached or exceeded Grade A for publishing.We would like to thank him again here

Sincerely yours,
