Rome, October 5^h, 2015

Dear Editor,

we resubmit the review article, entitled: **“New obesity classification criteria as a tool for bariatric surgery indication”**, written by De Lorenzo Antonino, Soldati Laura, Sarlo Francesca, Calvani Menotti, Nicola Di Lorenzo, Di Renzo Laura, according to:

Step 1: Reviewers' comments.

Step 2: Guidelines and Requirements for manuscript revision-Topic Highlight (all changes are made in the 20135-Revised Manuscript)

Step 3: We provided the Audio core tip (20135-Audio Core Tip)

Step 4: We provided the Cross Check analysis with iThenticate software (20135-Similarity Report and 20135 Summary Report); considering that the manuscript is a review article.

Moreover, attached there is Google Scholar check to verify the final title (20135-Google Scholar).

Step 5: We provided a Conflict of interest statement (20135-Conflict-of-interest statement)

Step 6: We provided the English language editing (20135- English language certificate)

Step 7: We provided a Copyright Assignment form (20135-Copyright Assignment)

Step 8: We provided a Revised Manuscript and all related documents (20135-Revised Manuscript, 20135-Figure 1 in power point format, 20135-Reference 1)

We look forward to hearing from you at your earliest convenience.

Yours sincerely,

Antonino De Lorenzo
