**Re: Certificate of Service**

Dear Editor-in-Chief:

I, Pirapon June Ohata, certify that Dr. Nattiya Hiranakarn procured language proofreading and copyediting services offered through the Research Affairs at the Chulalongkorn University, Faculty of Medicine, for her manuscript entitled, "Pretreatment predictors using serum proteomic profile in chronic hepatitis B patient treated with peg-interferon alfa-2b" on July 6, 2012. The revised version, according to the reviewers' comments, entitled, "Serum proteomic in chronic hepatitis B patients treated with PEG-interferon alfa-2b" was edited on June 4, 2013.

Please feel free to contact me at [juneohata4@gmail.com](mailto:juneohata4@gmail.com) should you have any questions pertaining to this matter.

Sincerely yours,

Pirapon June Ohata

**Faculty of Medicine Chulalongkorn University**
