The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer **02530654**, we thank you the concise review of the manuscript:

1. We have changed the tittle
2. We have included a bigger conclusion taking into account the indications. We have also added a headland with fecal transplantation treatment.
3. We have checked and correct the symbols
4. We have checked and correct spellings and spaces
5. We have added references
6. We think that the indications of Pg11, line 12 is cited by reference 44.

7. We have checked and correct title, we also included a short description of the abbreviations
8. We have wrote a title
9. We have included heading with description
10. We have checked and correct font
11. We have written “activity” instead of “Mayo”
12. We have checked and correct
13. We have explained it.

-

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Gonzalo J Gómez Gómez,, PhD
