

English language editing certificate.

I had reviewed the manuscript entitled: " **MR Imaging of the spinal marrow: basic understanding of the normal marrow pattern and its variant** "; written by: **Mohamed Ragab Nouh, MD and Ahmed Fathi Eid, FRCR.**

I hereby certify that English language of the manuscript meets the requirements of academic publishing.

A handwritten signature in black ink, appearing to read "Osama Al-Atiya". The signature is written in a cursive style with a large, sweeping flourish at the end.
