

September 11, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 20417 revised WJG.docx).

**Title:** Hepatitis C virus-associated neurocognitive and neuropsychiatric disorders

**Authors:** Salvatore Monaco, Sara Mariotto, Sergio Ferrari, Massimiliano Calabrese, Gianluigi Zanusso, Alberto Gajofatto, Domenico Sansonno, Franco Dammacco

**Name of Journal:** *World Journal of Gastroenterology*

EPS Manuscript NO: 20417

The manuscript has been improved according the comments of the reviewer and the changes are highlighted in yellow.

1. The discussion of the paragraph "Pathogenic implications" has been extended with the pathophysiology of the psychiatric disorders, as suggested.
2. The suggested references have been added.
3. Legends for figures are now provided.

We hope the manuscript is now acceptable for publication in the *World Journal of Gastroenterology*.

Sincerely yours,

*Salvatore Monaco*
