Step 1. Please revise your manuscript according to the reviewers' comments. To access the reviewers' comments, please log into the Express Submission and Peer-review System (ESPS) by entering your registered e-mail: [va9791@gmail.com](mailto:va9791@gmail.com) and user password: 763378 under the "Author Track Manuscripts" heading at <http://www.wjgnet.com/esps/trackmanuscript.aspx>. You

are expected to address each of the points raised by the reviewers in a response letter that is to accompany your resubmission. Please download the manuscript file edited by the editor, located in the "Manuscript" column, by clicking the link and the title line. You will find the editor's suggestions in the edited manuscript file, which have been added using the Track Changes function. All of the revisions that you make to the revised manuscript should be cited in the response letter and highlighted in the updated version of the manuscript. In order to continually improve the quality of peer-review for our journals, we urge authors to carefully revise their manuscripts according to the peer-reviewers' comments and we promote productive academic interactions between the peer-reviewers, the authors, and our readers. To this end, we include each of the reviewers' comments, in an anonymized manner, as well as the authors' responses along with the manuscript's publication online.

ER: This has been done

Step 2. Please update the manuscript according to the Guidelines and Requirements for Manuscript Revision-Systematic Reviews. You can find the Guidelines and Requirements for Manuscript Revision-Systematic Reviews, which includes the detailed writing requirements for the Title, Running Title, Authorship, Abstract, Keywords, Core Tip, Academic Rules and Norms, Tables and Illustrations, Comments and References, as an attachment.

ER: This has been done. The number of cited references at each citation has been reduced to five according to the guidelines.

Step 3. Please provide an Audio Core Tip. In order to attract readers to read your full-text article, we request that the author make an audio file describing the final core tip of the manuscript. This audio file will be published online, along with your article. Acceptable file formats are .mp3, .wav, or .aiff.

ER: This has been done.

Step 4. Please subject the manuscript to CrossCheck analysis and the final title to Google Scholar search, and store screenshot images of the results. CrossCheck powered by iThenticate (document checking software) is an initiative started by CrossRef to help its members actively engage in efforts to prevent scholarly and professional plagiarism. We strongly suggest that you perform a check of your revised manuscript before resubmission using the CrossCheck program available at <http://www.crossref.org/crosscheck/index.html> and of the final title using Google Scholar at <http://scholar.google.com/>.

ER: We have provided the Google Scholar test for the title. Unfortunately, we are not members of the Crossref.org organisation and are not able to provide the wanted documentation for not having performed plagiarism.

Step 5. Please provide the files related to academic rules and norms. The files related to academic rules and norms include the biostatistics statement, conflict-of-interest statement, and data sharing statement. You can find the detailed requirements in the Guidelines and Requirements for Manuscript Revision-Systematic Reviews and in the Format for Manuscript Revision-Systematic Reviews, both of which are provided as attachments.

ER: This has been done.

Step 6. Please revise the language of your manuscript. For manuscripts submitted by Non-Native Speakers of English, the authors are required to provide a language editing certificate, which will serve to verify that the language of the manuscript has reached Grade A. You can find the details of the language editing process for manuscripts submitted by Non-Native Speakers of English at [http://www.wjgnet.com/bpg/navdetail\\_85.htm](http://www.wjgnet.com/bpg/navdetail_85.htm).

ER: Please, refer to the email by Jing Yu saying that language editing is not needed.

Step 7. Please sign the Copyright Assignment form. The Copyright Assignment form can be downloaded from the ESPS; you may find it under the "Files Download" area (please click on the "+" in front of the manuscript number to view the Files Download button). Please note that the information in the signed document (i.e., the manuscript title, the authors' list, and the corresponding author) must be identical to the information presented in the final version of the manuscript. Please do not fax the signed documents, but instead submit the scanned PDFs online or by e-mail.

ER: This has been done.

Step 8. Submit the revised manuscript and all related documents. When you are ready to resubmit your revised paper and all required accompanying documents, please click <http://www.wjgnet.com/esps/ModifyManuscript.aspx?UserId=usnDu4Ps85MKFgdk4UhPu97b5GKjZ3T7aafVFXP2hk%3d&id=RZEMzUv%2bBrp%2b4144oDTMPw%3d%3d&UserNumId=00012342> to begin the uploading process. Please note that the author list and affiliations, author contributions and funding information are not allowed to be modified after a manuscript's formal acceptance.
