"ENGLISH PROOFREADING"

As the corresponding author of the manuscript entitled "p38 MAPK regulates type-I vs type-II phenotyping of human vascular endothelial cells", I believe that the quality of English in our manuscript has reached Grade A after we carefully corrected grammatical errors and misspelling.

A handwritten signature in black ink, appearing to read "Kumiko Saeki". The signature is fluid and cursive, with the first name "Kumiko" and the last name "Saeki" clearly distinguishable.
