Regarding "BIostatISTICS STATEMENT"

As the corresponding author of the manuscript entitled "Pro- versus anti-stenotic capacities of type-I versus type-II human iPS-derived endothelial cells", I declare that our research does not include clinical studies that require the assistance or the guarantee by experts in biostatistics.

A handwritten signature in black ink, appearing to read 'Kumiko Saeki', written in a cursive style.

Kumiko Saeki, M.D., Ph.D.

Director, Division of Stem Cell Therapy,

Department of Disease Control,

Research Institute, National Center for Global Health and Medicine
