To whom it may concern:

I, Eugenia Lamont, B.A., former Senior Technical Editor at the Library of Congress, Washington, D.C., am a native speaker of English with an excellent track record and many years' experience as a medical editor, including 20 years' employment in that capacity at the Medical University of Graz, Austria.

I have edited the manuscript under consideration to conform to current standards for English orthography, grammar, syntax, usage and style for medical and scientific publications.

A handwritten signature in dark ink, reading "Eugenia Lamont, B.A." in a cursive style.

Eugenia Lamont, B.A.
