

Dear Editors,

Please find attached the revised manuscript in word format for publication in your esteemed journal. All suggestions of the reviewers have been incorporated.

Title: A prospective study evaluating emotional disturbance in subjects undergoing defecating proctography

Authors: Amit S Kashyap, MD, Divyanshoo R Kohli, MD, Arnold Raizon, MD, Kevin W Olden, MD

Name of journal: World Journal of Gastroenterology

ESPS Manuscript No: 2093

Columns: Brief Article

The following modifications have been made as per the suggestions of the reviewers:

- The author affiliations have been changed per the format of the journal.
- The contributions have been added per the format of the journal.
- The results section of the abstract has been expanded to 137 words. The relevant statistical data and percentages have been added.
- Core tip has been added.
- Reference numbers are in the format of the journal (bound by brackets and in superscripts).
- PMID numbers have been added to the references.
- Figure montages are being submitted in power-point format to make them decomposable. The editor would be able to edit and move the images individually.

We thank the reviewers for their suggestions and the editors for helping us share our work with the subscribers of your journal.

Warm regards

Divyanshoo R Kohli, MD (corresponding author)
