

**Name of Journal:** *World Journal of Immunology*

**ESPS Manuscript NO:** 21006

**Manuscript Type:** Review

**Maillard reaction and immunogenicity of protein therapeutics**

Tsekovska et al. Glycation and protein drugs' immunogenicity

**Rositsa Tsekovska, Angelina Sredovska-Bozhinov, Toshimitsu Niwa, Ivan Ivanov,  
Roumyana Mironova**

**Rositsa Tsekovska, Ivan Ivanov, Roumyana Mironova,** Institute of Molecular  
Biology Roumen Tsanev, Bulgarian Academy of Sciences, Sofia 1113, Bulgaria

**Angelina Sredovska-Bozhinov,** MIT University, Skopje 1000, Macedonia (FYROM)

**Toshimitsu Niwa,** Nagoya University Graduate School of Medicine, Nagoya 466-  
8550, Japan

**Author contributions:** Tsekovska R and Sredovska-Bozhinov A contributed equally  
to this work; Mironova R, Niwa T and Ivanov I designed the research; Tsekovska R  
and Sredovska-Bozhinov A performed the research; Mironova R, Tsekovska R and  
Sredovska-Bozhinov A wrote the paper, Niwa T and Ivanov I reviewed the paper.

**Conflict-of-interest statement:** Authors declare no conflict of interests for this article.

**Corresponding author:**

Roumyana Mironova

Professor of Molecular Biology

Institute of Molecular Biology Roumen Tsanev, Bulgarian Academy of Sciences
