Ref.: Manuscript NO: 21032-manuscript revision

Dear Dr Ma,

thank you very much for the opportunity offered to publish our review paper in the World Journal of Gastroenterology.

The following is the list of all required documents that we as authors had to submit. I can confirm that all these documents have been properly prepared before submitting the revision.

We used this rule to name all the attached documents as listed below.

- 1 21032-Revised manuscript
- 2 21032-Answering reviewers
- 3 21032-Copyright assignment
- 4 21032-Audio core tip
- 5 21032-Conflict-of-interest statement
- 6 21032-Google Scholar
- 7 21032-CrossCheck
- 8 21032-Language certificate.

Some comments:

2 21032-Answering reviewers. We answered to some minor remarks of the reviewers, dealing with the figures and list of references.

7 21032-CrossCheck. We tested our manuscript and found 22% as result, mainly with our previous papers. We guess it's acceptable in a review manuscript, where most relevant papers are almost always cited and extensively reported.

Looking forward from hearing you soon,

best regards.
