

RESPONSE TO REVIEWERS

April 12th 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 2128-revised.doc).

Title: Impact of pelvic radiotherapy on the female genital tract and fertility preservation measures

Author: Liam C Welsh, Alexandra Taylor

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 2128

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) The additional information and references which were very helpfully suggested by Reviewer One have been included. A figure demonstrating the typical radiation fields and the site of the ovaries has been added.

(3) The reference suggested by reviewer three has been included.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Alexa Taylor'.
