The statistical methods of the study "Long term results of ABO-incompatible kidney transplantation: A single center experience" were reviewed by Maria Chioti. The corresponding author Christina Melexopoulou (email: xmelexopoulou@yahoo.gr, tel: [+30-21-07456351](tel:+30-21-07456351)) employed the biostatistician Chioti Maria for this reason.
