

Format for ANSWERING REVIEWERS

March 13, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 2202-Revision.doc).

Title: MAWBP and MAWD inhibit proliferation and invasion in gastric cancer

Author: Li-Dong Mei, Zhang-Jun, Li-Wen Mei, Cui-Jian Tao, Pan-Yuan Ming, Liu-Si Qi, Xing-Rui*, Lu-You Yong

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 2202

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated.

2 Revision has been made according to the suggestions of the reviewer.

(1) The manuscript should be revised with the help of a native English speaker.

This manuscript has been edited by professional English language editing companies (Jing-Yun Ma Office for SCI Biomedical Editing and Publishing). They have provided the "EDITORIAL CERTIFICATE".

(2) Title should be no more than 10~12 words/60 bytes. Please revise it.

We have revised the title according to the suggestion. The new title is "MAWBP and MAWD inhibit proliferation and invasion in gastric cancer".

(3) Results of abstract are too short. Please add it to 150 words.

Results part has been added the content. We provide relevant data to illustrate the significance of the results.

(4) Please write a summary of less than 100 words to outline the most innovative and important arguments.

We have added the Core tip after the key words. It is a summary of the Innovations and breakthroughs of this paper.

(5) Please write the COMMENTS section.

We have added the COMMENTS after the part of ACKNOWLEDGMENTS. This part includes Background, Research frontiers, Innovations and breakthroughs, Applications, Terminology and Peer review.

(6) We send the powerpoint format of figures so that you can edit them easily.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Rui Xing'.
