World Journal of Clinical Pediatrics  
Baideshing Publishing Group

Re: Manuscript No: 22151

Dear Editor,

We appreciate your notation regarding the Journal's language policy. Five of the 6 authors are native English speakers. The 6<sup>th</sup> author has lived in this country for 25 years and has native fluency. I respectfully request that the requirement for additional language certification be waived.

Sincerely,

Alexandre T. Rotta, MD, FCCM, FAAP  
The Linsalata Professor and Chair in Pediatric Critical Care and Emergency Medicine  
Chief, Pediatric Critical Care  
Rainbow Babies & Children's Hospital  
Case Western Reserve University School of Medicine  
Cleveland, OH
