With this declaration, Dr Antonella Trombatore, native English speaker (for experience), certifies that the manuscript, which is entitled "Fetal programming and early identification of newborns at high risk of free radical-mediated diseases" (ESPS NO 22461), was revised and corrected following the requirements of academic publishing.

She guarantees that the language of the manuscript conforms to standards.

Yours faithfully,

Dr Antonella Trombatore

The Authors confirm that Dr Trombatore has contributed to improve the English language of the manuscript in grammatical structure and vocabulary content. We also declare that the final manuscript version does not alter the intended meaning.

Yours sincerely,

The corresponding author
