

Biostatistics statement:

I confirm that the statistical methods of the study entitled “Synergistic anticancer properties of DHA and 5-FU through interference in energy metabolism and cell cycle arrest in AGS cells” authored by Dr. Kun Gao Liu and Shu-Feng Wang et al. were reviewed by me.

Sincerely

Signature:

A handwritten signature in black ink, reading "Shaolong Deng". The signature is written in a cursive, flowing style with a large initial 'S' and a distinct 'D'.
