

March 25, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 2285-review.doc).

Title: A caval homograft for Budd-Chiari Syndrome due to inferior vena cava obstruction.

Author: Andrea Mancuso, Luigi Martinelli, Luciano De Carlis, Antonio Gaetano Rampoldi, Giovanni Magenta, Aldo Cannata, Luca Saverio Belli.

Name of Journal: *World Journal of Hepatology*

ESPS Manuscript NO: 2285

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) I believe that our paper do not need an English language revision

(2) I agree with your suggestion: We reduced the title number of words

(3) The postcode is 20162, already reported. I corrected all the rest following your suggestion.

(4) I reported all authors contribution.

(5) I introduced Country Code

(6) I believe that our 150 words abstract is informative

(7) I introduced some more keywords

(8) I introduced a 84 words core tip

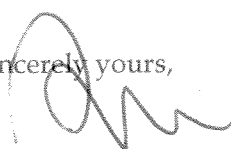

(9, 10) I did reformat all the reference as you suggested

(11) I believe that we deeply discussed the significance of our experience against the the background of existing knowledge. We do not think that adding subheadings would help the readers since the discussion try to involve the all issue in few words.

(12) I revised references following your suggestions

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Andrea Mancuso
