Dear Author:

Thank you for entrusting us with your manuscript and opting for our Advance Editing service. We have edited your assignment HKUHD-2 for content, language, grammar, and structure, and would like to share our experience in editing your manuscript.

The structure and language of your manuscript were good. The document required minor changes with regard to language and grammar. Few sentence reconstructions and word choice changes were made to achieve true native expression. Overall, your manuscript needed little intervention to achieve publishable quality.

Please be assured that we have edited the manuscript to the best of our ability and have clarified some of our changes through the remark. As a step toward finalization, we suggest that you resolve the remark in the main file, as this is important for successful publication.

We have added tips on academic writing conventions specific to your manuscript in the edited file. We hope you find these tips helpful for future writing.

We wish you the very best for the successful publication of your manuscript and look forward to working with you again.

Sincerely,

Your Editor

Krystal
