

18th January 2016

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name 23046-edited.docx).

Title: Resection and reconstruction of soft tissue pelvic and extremity sarcomas with major vascular involvement: current concepts

Author: Niall P McGoldrick, Joseph S Butler, Maire Lavelle, Stephen Sheehan, Sean Dudeney, Gary C O'Toole

Name of Journal: *World Journal of Orthopedics*

ESPS Manuscript NO: 23046

Many thanks for your very kind words regarding our manuscript. We hope that we have addressed the queries raised by reviewers.

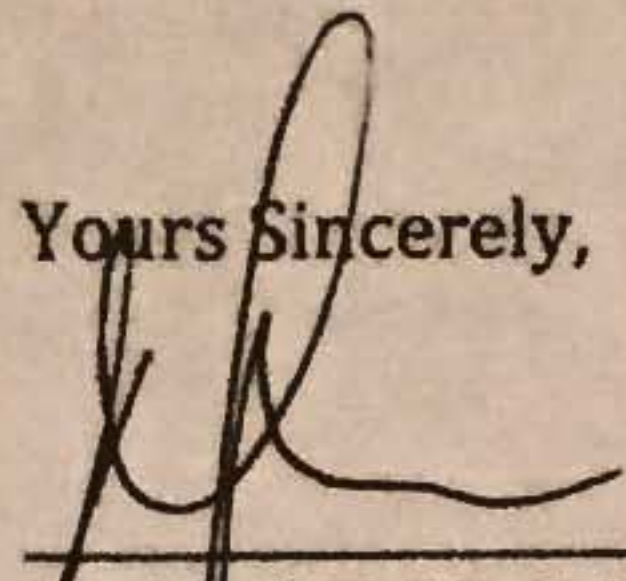

The manuscript has been improved according to the suggestions of reviewers:

1. The title has included specific reference to "pelvic and extremity sarcomas". (Reviewer No. 00505466)
2. The text refers to pelvic and extremity sarcomas so as to distinguish from retroperitoneal sarcomas, which are not discussed in this text. (Reviewer No. 00505466)
3. References and typesetting were corrected.
4. The attached figure is not modifiable, and correct as supplied by publisher.

Please note all changes and additions in the revised, attached manuscript are highlighted in yellow.

Thank you again for publishing our manuscript in the World Journal of Orthopedics.

Yours Sincerely,

Mr Niall P. McGoldrick, MCh MRCSI
