

Biostatistics Statement

Dear Editor,

Re: World Journal of Transplantation

ESPS manuscript NO: 23360

Title: Liver transplantation for hepatocellular carcinoma in Ireland: pre-operative alpha-fetoprotein predicts tumour recurrence in a 14-year single-centre national experience.

The statistics were performed by John P Burke who has performed biostatistics for multiple peer reviewed articles.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Donal O'Connor', with a date '12/4/18' written next to it.
