

June 6, 2013

Dear Editor,

Thank you very much for considering our manuscript for publication.

Please find enclosed the edited manuscript in Word format (file name: 2426-edited.doc). In this file you can find all the changes highlighted as requested with "track changes".

Please also find attached our copyright agreement (signed by all the authors) and two pdf files with the first pages of two references which do not have a PMID.

**Title:** Low-Grade Central Osteosarcoma of the distal femur, resembling fibrous dysplasia

**Author:** Haris S. Vasiliadis, Christina Arnaoutoglou, Sotiris Plakoutsis, Michalis Doukas, Anna Batistatou, Theodoros A. Xenakis

**Name of Journal:** *World Journal of Orthopedics*

**ESPS Manuscript NO:** 2426

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewers

Reviewer **00505407**

(1) We would be very happy to include more cases of Low-Grade Central osteosarcoma. However, due to its rare appearance we do not have any genuine pictures from other similar cases to provide. However, we have added references, so to provide material from similar cases published in the literature, to the reader.

(2) We improved the grammar and sentence structuring as suggested.

Reviewer **00501331**

Spelling errors corrected.

Reviewer **00467030**

(1) revised as requested

(2) Suggested literature was added as required

Reviewer **00501335**

(1) Spelling errors corrected

(2) "wide excision" clarified as requested

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'H. Vasiliadis', with a stylized, cursive script.
