

TEHRAN UNIVERSITY OF MEDICAL SCIENCES (TUMS)
SCHOOL OF MEDICINE, DEPARTMENT OF PHARMACOLOGY

24 February 2016

To whom it may concern,

I am appreciated to inform that the project NO. 92033024196 entitled “*Contribution of mammalian target of rapamycin (mTOR) in pathophysiology of cirrhotic cardiomyopathy*” was registered in Vice chancellor of Research and Technology of Tehran University of Medical Sciences and performed in agreement with the guidelines of the Ethics Committee of Department of Pharmacology, Tehran University of Medical Sciences.

The study was reviewed and approved by the Department of Pharmacology of Tehran University of Medical Sciences Institutional Review Board.

Sincerely yours,

Asis. Prof. Mousa Sahebgharani

Head of Department of Pharmacology

School of Medicine, Tehran University of Medical Sciences

A handwritten signature in dark ink, appearing to read 'M. Sahebgharani', is written over a light blue rectangular stamp.
