Westmead Millennium Institute,
Westmead.

Re: NF-kB as a therapeutic target in polycystic kidney disease.
Protocol Number: 5103.06.12

At the Western Sydney Local Health District Animal Ethics Committee Meeting held Friday 26th June 2015, the Committee reviewed your Experimental Protocol Annual Return and found it satisfactory.

Protocol 5103.06.12 has been approved for a further 12 months until June 2016 upon where a Final Report is due to be submitted to the Western Sydney Local Health District, Animal Ethics Committee.
