

Please revise your manuscript according to the reviewers' comments.

You are expected to address each of the points raised by the reviewers in a response letter that is to accompany your resubmission.

Answer: Thank you so much. We have addressed all the concerns that were raised by the reviewees (see below)

Please download the manuscript file edited by the editor, located in the "Manuscript" column, by clicking the link and the title line. You will find the editor's suggestions in the edited manuscript file, which have been added using the Track Changes function.

Answer: Thank you so much.

All of the revisions that you make to the revised manuscript should be cited in the response letter and highlighted in the updated version of the manuscript. In order to continually improve the quality of peer-review for our journals, we urge authors to carefully revise their manuscripts according to the peer-reviewers' comments and we promote productive academic interactions between the peer-reviewers, the authors, and our readers.

To this end, we include each of the reviewers' comments, in an anonymized manner, as well as the authors' responses along with the manuscript's publication online.

Answer: Thank you so much. We have addressed all the concerns and the comments that were raised by your editorial team.

Reviewer 1.

This is an excellent paper. Please follow up them for more periods and report their outcome in future.

Answer: Thank You

Reviewer 2.

This is an overall well-designed case report with a new message to provide. I recommend publication.

Answer: Thank You

Reviewer 3.

Case analysis is very good, beautiful language, the proposed increase in postoperative check indicators.

Answer: Thank You

Reviewer 4.

Good series, and novel issue. I only recommend to add to the title "A case series", because what your title brings in mind is a large study!

Answer: Thank You. We have added "A case series" to the title based on your request.
